Waterfolk Ministry*

“Waterfolk” is the term used for persons who live, work and / or play on or around the water.

*Waterfolk Ministry is used as an example to show how a generalized ministry can be divided into many different ministry opportunities (i.e., Dock Masters, Kayaking Outreach, Waterman Day Event) for greater effectiveness in ministry.

The greater part of the following list is from “Opportunities for Ministry and Outreach with Waterfolk” by Sam and Betty Anne Schlegel. Others have been added. The list includes locations and persons for ministry opportunities.
